**Congressmen Blumenauer and Walden hosting summit on Mt. Hood**

**Friday, August 8<sup>th</sup>, 11:30 a.m. – 4:00 p.m., at Timberline Lodge**

Congressmen Earl Blumenauer and Greg Walden are hosting a forum at Timberline Lodge aptly named "Mt. Hood: A View from the Summit." The forum is intended to address the public's concerns regarding the past, present, and future of Mt. Hood. A panel made up of leaders from local communities, government, recreation, and conservation organizations will examine the critical issues concerning Mt. Hood. There will also be time for public Q&A. It is crucial that we take advantage of this opportunity to show Walden strong support for protecting wilderness on Mt. Hood, and specifically preserving the wild and natural integrity plus historic nature of the northeast side of Mt. Hood at Cooper Spur.
