Cooper Spur proposes new chairlift

Published 11/24/2001

Mt. Hood Meadows announced Tuesday that it has submitted an application to the Forest Service to replace the existing T-bar at the newly acquired Cooper Spur Ski Area with a new, fixed-grip double chair lift. Cooper Spur officials are proposing the addition of a new "wonder carpet", plus the relocation of the rope tow for innertubing. A new power line from the Inn at Cooper Spur to the ski area was also proposed. Comments o the proposals should be communicated to Doug Jones, Permit Administrator for the USFS. He can be reached by phone at 541.352.6002, ext. 682; e-mail at dgjones@fs.fed.us; or by mail 6780 Hwy 35, Parkdale, OR 97041.
